

MixtheCity.fm

Company Primer 2023

university partnerships and academic collaborations.

MixtheCity.fm

Who are we?

MixtheCity is an exciting entertainment solution aimed at bringing the party experience to the youth or the Gen Zs, wherever they are.

Our fully-equipped mobile DJ booth will travel to different locations, setting up impromptu events & parties onsite in campuses (colleges & universities), establishments (bars, restos, etc.), and other open venues.

The van is equipped with high-quality speakers, lighting systems, and DJ equipment to create an immersive party atmosphere.

MixtheCity.fm

DJ Van Experience

- Specializes in delivering high-energy entertainment experiences.

- State-of-the-art sound systems.

- Captivating lighting system.

OUR SERVICES

What we can offer

Engaging Events

Collaborate in organizing the events at your school ensuring an inclusive and enjoyable experience for all students.

Sounds and Lights

Our cutting-edge lighting and audio systems will transform your events into a memorable and stunning spectacle, enhancing the overall ambiance and experience.

Broadcasting Opportunities

We will capture the highlights of each event and cross-post all creative materials on our platform, giving your school maximum exposure.

Spins of DJ Lineup

Our talented DJs will curate playlists that cater to diverse musical tastes, ensuring a memorable time for everyone.

Our Commitment

we dedicated to creating a partnership that benefits both parties.
Here's what we commit to:

Customized Events

We will collaborate with your school to tailor each event according to your preferences and requirements.

Safety and Security

We prioritize the well-being of your students and will adhere to all safety guidelines and protocols.

Professionalism

Our team is composed of professional veterans and individuals who have prior experience to events production, and broadcasting

Flexibility/ Collaboration

We understand that schedules and event plans can change, and we will work with you to accommodate any adjustments.

Collaborative Deals

Our partnership with schools and campuses in Metro Manila aims to benefit both parties.
